## CSS for VSHSE, RAJASTHAN – SKILL SUBJECT PRACTICAL RE-ASSESSMENT GUIDELINES: 2017

Practical Re-Assessment will be conducted for 9<sup>th</sup>, 10<sup>th</sup> and 11<sup>th</sup> Standard students of Winter Closing schools during **27<sup>th</sup> November to 30<sup>th</sup> November 2017** on Level 1, 2 and 3 contents respectively, of PSSCIVE curriculum (<http://psscive.nic.in/>) designed for CSS for VSHSE in Schools, for the following Sectors:

**Agriculture, Automotive, Beauty & Wellness, Electronics, Healthcare, IT-ITeS, Retail and Security.**

The Practical Re-Assessment Program Chart is attached herewith; in this regard, the school concerned can plan with the assessor appointed for.

• Re-Assessment Guidelines:

<b>1.</b>	<b>Maximum Marks</b>	=	<b>50</b>
	a. Oral Test / Viva-Voce	=	10
	b. Students' Portfolio	=	10
	c. Hand on skill/Demonstration of skill competency through simulated assessment	=	30
<b>2.</b>	<b>Minimum Pass marks</b>	=	<b>17</b>

The following scoring rubrics should be used by the assessor for assessing the oral test or Viva Voce of the students.

Name of the Unit	Weightage for each unit wise	Content (Student gives desired response)	Accuracy of the desired response	Examiner observation (e.g. confidence, attitude, etc)	Marks Obtained

The following scoring rubrics should be used for the assessing the skill competency or the hands-on performance of the students:

Name of the Unit	Weight age for each domain unit	Application of knowledge	Follow Assessor's instruction (putting instructions into action)	Preparing appropriately to carry out tasks (prior preparation)	Proper Sequence of performing a Task	Demonstration of skills	Any other (trade specific)	Marks obtained

**NOTE:**

**STUDENTS PORTFOLIO FILE:** This contains information of all students and is a permanent document (file), in which the student includes all his/her activities continuously during their four (4) years skill training program for all four (4) levels. The Assessor / School should not retain / destroy this file. Practical file / Experiment notebook / Activity description books are required to be destroyed by the assessors on spot to avoid reuse of the same.

**Important:** During the assessment, the student portfolio has to be kept in view to standardise the student.

## Few important points to be kept in mind:

- 1 Only a set of 25 students will be assessed per batch, per assessor.
- 2 'External Practical Assessors' will be appointed through SSCs. Vocational Teachers of concerned school, will assist them to work as 'Internal Examiner' – the 'Internal Examiner' may act as an interpreter as well, in case of Language concerns.
- 3 The re-assessment will be done as per the standard(s) / class of students. 'External Practical Assessors' need to keep the language/medium of instruction concerns in view, while conducting re-assessments.
- 4 SSC concerned, should develop matrix of weightage of content against each rubric for Practical re-assessment and within the unit for each outcome.
- 5 The students are to be assessed based on rubrics of Marks Distribution mentioned above or as per detailed re-assessment sheets provided by the SSC concerned.
- 6 The assessors concerned, will indicate his/her Full name, Mail id & mobile no. positively in respective sheets as stated in the Guidelines.
- 7 **"Sector" to be mentioned in all the Annexures (as specified in the Annexures) will be as per Page number 1 of the guidelines**
- 8 In case any student is found absent on the prescribed date of practical examination, he/she may get assessed in the next day's batch with other students. It may happen that the student / parent will coordinate with the school Principals, to attend re-assessment in the **NEXT** school. The Principal needs to coordinate with Board and the assessor further for the same. Thus, Head of the Institution/ Vocational Coordinator will ensure that no candidate is deprived of taking/appearing in the practical examination since **no further chance will be provided for practical re-assessment as per rules at any cost, after completion of all the scheduled re-assessments.**
- 9 **Emphasis should be given to the students' preparations based on hands-on-skill for job role.**
- 10 The examination centers for practical re-assessment can be in the same schools or another school/station as per policy of the concerned School Education Board.
